April 6, 2020

**Update - Notice from the Allergy & Asthma Center of Rochester**

Due to the impact of the Coronavirus (COVID-19) in Michigan, our office has temporarily closed as a precaution to help protect the health and safety of our patients, employees and providers. We are monitoring information coming in from the State of Michigan and Federal government and we are using this information as a guide for when we might re-open. We suggest calling us back in the near future to see when we will re-open again.

**If you have a life-threatening emergency**, please call 911 or go to the closest hospital emergency room.

**If you have a non-life threatening emergency**, and need assistance, **Dr. Ringwald is on call**. You can reach him at his beeper number at **586-308-3820**.

We appreciate your understanding as we try to keep everyone healthy.

**Robert Czarnecki, MD**
