

Allergy and Asthma Center of Rochester, Michigan

THANK YOU FOR TRUSTING US AS YOUR HEALTHCARE PROVIDER. WE APPRECIATE YOUR TRUST AND THE OPPORTUNITY TO SERVE YOU.

Because of our concerns over the rising costs of health care and the increased costs of operating our practice, we have decided that rather than increase our fees at the present time we would try another alternative to keep costs down. Therefore, we have developed a financial policy that will outline in detail the method in which this office will operate. This policy will clearly inform new patients of our procedures and will outline changes to our present patients. We are confident that having this policy will share the responsibility among all our patients for cost reduction. If you have any questions or concerns regarding this policy, please do not hesitate to discuss it with our staff. Please complete all the appropriate information requested, sign, and retain one copy for your records and return the original to our office to be kept on file. Thank you for your assistance in helping us implement this policy.

GENERAL POLICY

All patients must complete the pertinent information and sign this policy before service is rendered. **All fees for seeing the physician and testing are to be paid at the time the service is rendered.** Payment may be made by cash, credit card or check. We are aware that many patients receiving recurrent frequent injections may prefer to pay on a monthly basis and this will continue. We prefer that payment be made on a regular thirty day schedule and can be made in advance or at the end of the month either by cash, check or credit card.

NEW PATIENTS

We realize that the cost of the initial appointment may be more than you can afford on the date of service, if you do not have insurance coverage with a plan in which we participate. Therefore, we ask that you make a down payment of at least \$100.00 on the day of your testing appointment and either provide postdated checks for subsequent monthly payments. **As of January 1, 2015, all new patients are required to complete a credit card authorization form before services can be rendered by our physicians.**

MINOR PATIENTS

A minor is considered to be any person under the age of eighteen. The adult accompanying a minor to the appointment will be held responsible for the payment of the charges on the date of service, regardless of who is legally responsible for the child's medical charges. The accompanying adult may seek reimbursement directly from the responsible party. For unaccompanied minors, non-emergency treatment will be denied unless charges have been preauthorized to a credit card or payment by cash or check at the time of the appointment is provided. **This does not apply to minors on continuing allergy injections.** Minor patients may receive injections with monthly payment arrangements as outlined in the general policy.

INSURANCE

We do not direct bill to any insurance plan in which we are not a participating provider including Blue Shield Master Medical. Your policy is a contract between you and your insurance company, we are not a party to that contract. Therefore, you are responsible for all payment due to us and we will provide you with an itemized bill complete with all the information necessary to file your claim for reimbursement. ***We do direct bill to all HMOs and PPOs in which we are a participating provider.***

We might use your PHI in order to write a prescription for you, or we might disclose your PHI to a pharmacy when we order a prescription for you. Many of the people who work for our practice including, but not limited to, our doctors and nurses may use or disclose your PHI in order to treat you or to assist others in your treatment.
